

Special Events Are Our Specialty

Red carpet treatment is what you will experience when you arrive at Sierra Lakes Golf Club; lasting memories is what you will take with you.

Ideally located at the foot of the San Bernardino Mountains, Sierra Lakes is the Inland Empire's number one choice for golf outings and tournaments both large and small. Each year, we host hundreds of groups of all kinds: corporate outings, fund-raisers for charitable and non-profit organizations, get-togethers for small businesses or groups of friends.

We welcome the opportunity to dazzle your guests with our highly acclaimed golf course, spectacular mountain views, elegant yet inviting clubhouse, exceptional cuisine, friendly service and attention to detail.

"Sierra Lakes is perfect for golf outings. The course is challenging but fair for all types of golfers, always in great shape, and the exquisite ball rooms provide an atmosphere which will make your banquet something to remember," says Tournament Director Ben Smith.

"We also have a country club style setting with a beautiful clubhouse that makes people feel right at home. After the tournament is over, people want to stay and gather in the lounge or on the patio. Your event will not be one where people turn in their scorecards and take off."

Whether you have a 160-player shotgun start or small group of 16 with a few afternoon tee times, the professional staff at Sierra Lakes will do everything to make your day a resounding success!
